Online Registration:

- Registration must be done online at: <https://secure.youthscience.ca/sfiab/simcoecounty/>
- Your teacher must create an account for you so you can register for the fair. You will get an email invitation explaining how to complete your registration.
- Please login to verify your account within 24 hrs to make sure your teacher added your email address correctly.
- **ALL information must be COMPLETED by the end of day on Thursday, March 1st, 2018. You must complete ALL 5 SECTIONS. Incomplete registrations will NOT be eligible to participate in the fair.**
- Be sure to print the "Signature Page". If you can't print that, ALL 5 SECTIONS aren't complete.
- You MUST bring this **signed** "Signature Page"/Permission Release form to Registration on April 6, 2018.
- Carefully consider the **Special Awards** criteria and nominate yourself for all appropriate awards. If you don't nominate yourself NOW, you won't be considered for Special Awards on judging day.

Safety and Ethics:

- If you need access to an electrical outlet, please make sure you indicate so when registering online. Remember that **you must bring your own CSA approved cord of at least 10 m long**. All electrical equipment must also be CSA approved and in safe working order. You will be required to pass a safety inspection during setup.
- All projects involving human testing require **prior, written consent by the test subjects or their legal guardians** (if under 18). Please have these forms at your display for review if requested.
